

The 2nd day of the year

Amended Complaint For RA.
4:16-CV-04127-KES TITLE CLAIM
11 OF ADA AND

Dear Judge Schreier

11-10-16

Your Honor This is the 2nd letter to
file the Amended Complaint I have
sent your clerk has advised me he
has not received the 1st Amended
Complaint I sent. So I will
attempt to rewright it but I
would like you to know I have
severe mental illness that causes
me to have a really bad memory
but from what I could understand
from your letter to me dated
10-17-16 I think you said I
am not able to sue these
people in there individual capacity
so I will remove that claim in this
Amended Complaint. So in my
mentally ill best attempt to bring
this Amended Complaint of a 1983
claim under the 8th Amendment I am
stating I am ^{AT} substantial risk of serious harm
and that all Defendants in claim are
deliberately indifferent to that risk of
harm. All Defendants have received knowledge
of the substantial risk of serious harm
either thru official medical records
or thru Kites and inmate grievances
from myself. All Defendants in

THIS CLAIM ALSO HAVE INTENTIONALLY DENIED
OR DELAYED MY ACCESS TO MEDICAL CARE
AND ARE INTENTIONALLY INTERFERING WITH
THE MEDICAL TREATMENT THAT THE
NEUROSURGEON DR. WISSAM ASFAHANI
HAS RECOMMENDED ON 7-29-16 AS
CLEAR BY THE MEDICAL TREATMENT I HAVE
BEEN AND CURRENTLY AM RECEIVING
WHICH IS NOT WORKING. I AM AND
HAVE BEEN SINCE 10-15-16 UNABLE
TO WALK DUE TO ANOTHER FALL
I HAVE HAD ON 10-15-16 AND I
AM NOT RECEIVING THE MEDICATION
THAT DR. ASFAHANI HAS RECOMMENDED
I ALSO HAVE NOT RECEIVED A
SHOWER SINCE 10-15-16 CAUSE OF MY
INABILITY TO WALK AND THE MEMBERS
OF THIS CLAIMS REFUSAL TO ISSUE
ME A WHEELCHAIR TO BE ABLE TO
GET TO THE SHOWER. THEREFORE THE
DEFENDENTS ARE INTENTIONALLY DENYING
OR DELAYING MY ACCESS TO MEDICAL TREATMENT
BY REFUSING ME MY MEDICALLY RECOMMENDED
SURGERY AND EVEN A BASIC WHEELCHAIR
AND ADEQUATE PAIN TREATMENT. ALL
DEFENDENTS IN THIS CLAIM HAVE THE
KNOWLEDGE THAT I HAVE BEEN

Became a Surgeon and have
Refused to act on their knowledge
I am notifying this court I am
A qualified individual with a
Disability to wit my sleep apnea and
my mental illness caused by electrical
Shock therapy in Washington. I
am also notifying this court I have
been excluded from participation in
the Prisoners Services programs and activities
and this is being caused by the
Defendants by refusing me my needed
surgery or a wheelchair to have
mobility to get to my court
programs and access to the library
and even the health service.
If the prison was not retaliating
against me by placing me in the
SHU I could send the court the
journals I have from the past
month and I could get copies
of all the religious events I have
been denied because of my disability
therefore I believe I meet the requirements
of a RA 504 claim, I would like to
requisite a new motion for temporary
restraining order based on the

New Amended Claim with my limited
mental ability to correctly bring
forth the merits of this claim
I believe the Retaliation from
the High ranking members of
the DOJ that are listed in this
claim will not stop unless it
is granted, I would also like
to please mention this court to
grant counsel based on several
factors such as my inability to
properly bring this claim due to
extreme mental illness and also
the sheer complexity of this case
it goes back over a couple years
of being denied even the basic
rights of a prisoner. I would
like to name all original Defendants
in this Amended claim with the
addition of some new officials that
have violated themselves since my latest
fall on 10-15-16 I will list a list
of the new Defendants and a brief
statement of how they violated my
rights.

May God Bless you always
Derek Vice
